INVERELL, NORTHERN NSW

Welcome...

Copeton's Northern Foreshores Camping and Recreation Grounds are situated on the edge of Copeton Dam just 17km from Inverell. Enjoy the relaxing atmosphere, beautiful natural surroundings and stunning views. The Park is well maintained with clean and recently upgraded amenities, including laundry facilities.

Powered and unpowered campsites are available for those wishing to spend a few days.

Fishing and Boating...

Don't forget your fishing rod! Copeton Dam offers fantastic fresh water fishing. Try your luck at catching a Murray Cod, Golden Perch, Silver Perch or Catfish. The park offers two boat ramps for easy access to the water and a fish cleaning station for guest.

Day Visitors...

Spending the day at **Copeton's Northern Foreshores** is easy. The park offers something for the whole family to enjoy. The newly fenced children's play area and the marine themed Splash Park areas are packed with excitement and will entertain the kids for hours!

Make sure you pack a picnic lunch when you come and take advantage of the many sheltered BBQ areas around the park for you to use, enjoy the shade and the view over looking Copeton Dam.

The new concrete footpaths make walking and cycling around easy, with a number of short shared walking/cycling tracks around the park. Hand rails have been fitted to the steeper section of the paths.

Over looking Copeton Dam at the Northern Foreshores is the perfect spot to see a stunning sunset, light a fire in one of the fire pits provided and enjoy the view!
